FIDELITY FUNDS - ASIAN SMALLER COMPANIES FUND

a sub-fund of FIDELITY FUNDS

FIDELITY FUNDS - ASIAN SMALLER COMPANIES FUND Y-ACC-GBP

(ISIN: LU0702160192)

This fund is managed by FIL Investment Management (Luxembourg) S.à r.l.

Objectives and investment policy

Objective: The fund aims to achieve capital growth over the long term.

Investment Policy: The fund invests at least 70% of its assets, in equities of smaller companies that are headquartered, or do most of their business, in Asia Pacific (excluding Japan), including emerging markets. The fund may also invest in money market instruments on an ancillary basis. The fund will invest less than 30% of its assets (directly and/or indirectly) in China A and B Shares (in aggregate). Smaller companies are defined as having market capitalisation range of less than USD 8,000 million in terms of the company's full market capitalisation. The fund may invest in companies outside this range.

Investment Process: In actively managing the fund, the Investment Manager considers growth and valuation metrics, company financials, return on capital, cash flows and other measures, as well as company management, industry, economic conditions, and other factors. More particularly, the fund is managed with a quality and value bias within the Asian smaller companies' space. The Investment Manager considers ESG characteristics when assessing investment risks and opportunities. In determining ESG characteristics, the Investment Manager takes into account ESG ratings provided by Fidelity or external agencies. The fund aims to achieve an ESG score of its portfolio greater than that of its benchmark. Through the investment management process the Investment Manager aims to ensure that investee companies follow good governance practices. For more information, see "Sustainable Investing and ESG Integration" and the Sustainability Annex.

Derivatives and Techniques: The fund may use derivatives for hedging, efficient portfolio management and investment purposes.

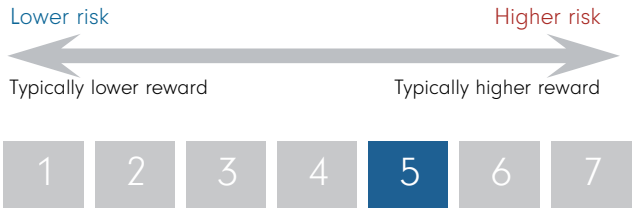

Base Currency USD

Distribution: As this is a non-distributing share class, dividends are re-invested.

Benchmark: MSCI AC Asia Pacific ex Japan Small Cap Australia Capped 10% Index, a broad market index. Used for: investment selection, risk monitoring, and performance comparison. The fund invests in securities of the benchmark, however, the management of the fund is discretionary, therefore the fund may invest in securities not included in the benchmark, and its performance over any period may or may not deviate significantly from that of the benchmark.

Risk Management Method: Commitment.

Risk and reward profile

Historical data may not be a reliable indication for the future. The risk category shown is not guaranteed and may change over time.

The lowest category does not mean a "risk free" investment. The risk and reward profile is classified by the level of historical fluctuation of the Net Asset Values of the share class, and within this classification, categories 1-2 indicate a low level of historical fluctuations, 3-5 a medium level and 6-7 a high level.

The value of your investment may fall as well as rise and you may get back less than you originally invested.

The fund may invest in instruments denominated in currencies other than the fund base currency. Changes in currency exchange rates can therefore affect the value of your investment.

This fund is categorised in risk class 5 because, in accordance with the investment policy, the value of the investments may fluctuate somewhat sharply. Consequently, both the expected return and the potential risk of loss may be above average.

Additional risks: emerging markets, liquidity.

Recommended Holding Period: This product may appeal to investors who plan to hold their investment for a recommended holding period of at least 5 years .
